

1st International
Symposium on
Green Industry Initiative for
Sustainable Industrial
Development (Hybrid)

Industrial Development Board
Theme: Go Green Industry

20th & 21st June 2024 @ BMICH, Colombo, Sri Lanka

The 1st International Symposium on Green Industry Initiative for Sustainable Industrial Development - 2024 is organized as an event parallel to the International Industry Expo -2024 held from 19th - 22nd of June 2024 at the BMICH, Colombo.

ISGSD 2024 Symposium provides an excellent opportunity for academia, researchers, industry practitioners, and students to showcase their research, and case studies.

The symposium proceedings will be made available on the IDB Web portal, allowing easy access to the published researchers.

There will be awards with certificates for;

1. Best Extended Abstract
2. Best Case study
3. Best Poster

ISGSD 2024 accepts Abstracts, Extended abstracts and Case studies of research under following tracks form any interested researchers.

1. Resource-efficient and cleaner production
2. Energy efficiency in industry
3. Corporate social responsibility and responsible production
4. Low carbon and/or climate-resilient production
5. Inclusive business development
6. Sustainable agriculture and agribusiness
7. Sound chemical management
8. Clean energy for productive uses
9. Green digital and information technologies
10. Green and sustainable cities
